

Your IMAC account – How to log in

Step 1: Log in to your IMAC learning account

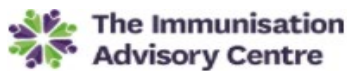

Please follow these steps to log in to your IMAC account.

Before you begin please read computer requirements

To ensure that all parts of the course can be viewed on your screen and your progress is saved, we recommend you use:

- desktop or laptop computers (not tablets, ipads or smart phones)
- the latest version of Google Chrome or Firefox browsers (not Microsoft Edge, Internet Explorer or Safari).

Go to the IMAC learning website URL: <https://lms.immune.org.nz/>

The image shows a screenshot of the IMAC Learning login page with two instructional boxes overlaid. **Step 1** (in a yellow circle) points to the "Email Address" and "Password" input fields. The text in the box says: "Step 1 – How to log in to your IMAC account. Please fill in all details. a. Enter your email address b. Enter your password". **Step 2** (in a yellow circle) points to the "I'm not a robot" checkbox. The text in the box says: "Step 2: Finalise log in attempt. a. Click I'm not a robot b. Click log in". A green arrow points from Step 1 to Step 2. The background screenshot shows the "Welcome to IMAC Learning" header, navigation links for "new account", "Log in", and "Reset your password", and a CAPTCHA section with a "Log in" button at the bottom.
