

Flow Chart for Support Workers Key actions to manage a Comirnaty™ Vaccine Cold Chain Breach

*Perform the checks below when a Cold Chain Breach is identified and document the findings.

1. Has the fridge door been left open?
2. Has there been a vaccine stock take done or increased access of fridge by staff in the past 24 hours?
3. Has there been a power cut?

DO NOT discard any vaccines unless advised by your Immunisation Co-ordinator

If you have any concerns about your vaccine fridge or data logger at any time, please your clinical lead or supervisor.
